

## Know YOUR Brazosport Realtor...

# Know Pat Taylor

Since starting my career in real estate 25 years ago little else now rivals my enthusiasm and commitment to the real estate profession. Not only my career but my family is also very important to me. So, to just touch on a personal note I am married to my husband Roy for 40 years and we have a wonderful son Tracey, who is 37. We moved to Lake Jackson from east Texas over 36 years ago where I attended Stephen F. Austin State University majoring in home economics and later received certification from Texas A & M University as a Texas Master Florist. I owned an area florist and gift shop for five years and then worked in real estate sales and marketing for two local homebuilders. This is when I really established my goals for a career in the real estate profession.

After owning my own national franchise real estate company in Lake Jackson for six years I made a commitment to return to the role of a working (listing & selling) real estate agent. I wanted to do what I do best. **List and Sell** real estate.

To further introduce you to my qualifications and accomplishments in the real estate industry I have included the following:
